

# Junior Robotics League 2021 Pricing Information

Option	Description	Cost
	<p><b>Individual Registration:</b></p> <p>This option allows students to sign up as individuals and be placed with 3 or 4 other individuals to form a team. We do our best to group students on teams of similar grade levels or similar schools where possible. Each team formed will receive 1 Vex Cortex robot kit. Once teams are formed, these parents will work together to determine who will serve as the coach for the team.</p>	<p><b>\$175 per student</b></p> <p>\$20 late fee if received after the registration deadline</p>
	<p><b>New Team Registration:</b></p> <p>This team registration option allows students to put together their own team of friends/classmates. This option is for teams that have not previously registered for a JRL season. This option includes a Vex Cortex robot kit.</p>	<p><b>\$625 per team</b></p> <p>\$50 late fee if received after the registration deadline</p>
	<p><b>Returning Team bringing kit:</b></p> <p>This option is for teams that have previously participated in JRL and will not need a new robot kit.</p>	<p><b>\$310 per team</b></p> <p>\$20 late fee if received after the registration deadline</p>

The 2021 season registration and payment deadline is Saturday, September 11, 2021. Registrations received after this date may have a late fee applied and teams needing a Vex Cortex robot kit may experience a delay in receiving their kit.
